

World	Level	Feature introduction	Intentions	Size	Type
1 (sea - cliff)	1-1		Make understand the basic game mechanic : blocks change their colors and destroy	1x1	tutorial
	1-2		Intended destruction (walk on purpose)		appropriation
	1-3		Intended saving (jump on purpose)		appropriation
	1-4	straw	<i>Straw</i> : Freeze a block to keep a path (easy to see)		tutorial
	1-5		straw + blocks > more complexe use		appropriation
	1-6		synthesis intended actions on blocks and smart use of the straw		synthesis
2 (petite forêt)	2-1	inkwell + feathers	Creation of block to create a path	2x1	tutorial
	2-2		Filling of inkwells : understand the different proportions		appropriation
	2-3		Choose the right color : create lines Control of feathers		appropriation
3 (séquoïas)	3-1	wind block, air stream	<i>Wind block</i> : Take it to reach a spot / Go out at different levels <i>Air stream</i> : Avoid it Understand that it has a direction and is intermittent or continuous	3x1	tutorial
	3-2		<i>Wind block</i> : Several directions Block it with a block to cross it fun level with wind (be carried away)		appropriation
	3-3	windmill origami	<i>Windmill</i> : Divert to create a path		tutorial
	3-4		<i>Windmill</i> : Divert to avoid a bad element (eg air stream) Delete to create a path		appropriation / pause
4 (falaise-cascade)	4-1	cloud	<i>Cloud</i> : Get wet : slow down / can't jump (but can fall)	1x3	tutorial
	4-2	hat origami	<i>Hat</i> : Protect, only one use (> integration of continuous cloud)		tutorial / appropriation
	4-3		<i>Cloud</i> : Get dried by the wind		tuto / appropriation
	4-4		Reinforce danger : put a air stream which push into space with rain		synthesis

5 (grotte)	5-1	fire block	<i>Fire block :</i> Avoid if burning / We can walk on if extinct / Jump over Several directions	2x2	tutorial
	5-2		Combining : eg avoid a fire block on top of a wind with a windmill		appropriation
	5-3	(retour du nuage)	<i>Fire block :</i> Get dried Extinct fire with cloud		tutorial / appropriation
	5-4		Reinforce danger		synthesis
6 (montagne 1)	6-1	ice block	Training on ice block	3x1	tuto
	6-2		Fun level with ice block : let slip and orientate during fall to slip in the right way		appropriation / pause
	6-3		Combining ice + others blocks		synthesis
7 (montagne 2)	7-1	bloc aléatoire	Synthesis	3x2	tuto + synthesis
	7-2				synthesis
	7-3			2x4	synthesis
	7-4				synthesis
	7-5				synthesis
